

<b>Lighting Device</b>			
<b>Manufacturer</b>	<b>Device Type</b>	<b>Model no</b>	<b>Version</b>
Leviton	Dimmer Switch	VRM10-1LX	1
Intermatic	300 watt dimmer	HA06	
Intermatic	3-way Switch	HA18	
Intermatic	3-way Dimmer Switch	HA20	
ACT	2-way Dimmer Switch	ZDW120	
ACT	3-way Dimmer Switch	ZDW103	
ACT	2-way Relay Switch	ZRW113	
ACT	Companion Switch	AS101	
Intermatic	Screw-in Module	HA05C	
Merten	Radio sensor cover for dimmer inserts	5026xx, 5036xx, 5046xx	6,2,7,1,5
Merten	Single Radio flush-mounted receiver	507001	6,2,27,2,2
<b>Plug &amp; Receptacle Devices</b>			
<b>Manufacturer</b>	<b>Device Type</b>	<b>Model no.</b>	<b>Version</b>
Intermatic	In-Wall Receptacle	CA3500	1
Intermatic	Appliance Module	HA02C	1
ACT	In-Wall Receptacle	ZRR150W	2.2
Intermatic	Outdoor Module	HA04C	1
<b>Thermostat Devices</b>			
<b>Manufacturer</b>	<b>Device Type</b>	<b>Model no.</b>	<b>Version</b>
Wayne Dalton	Wall Stat	WDTC-20	??
HAI	Wall Stat	RC-80BZ	??
RCS	Wall Stat	TZ43	??
Intermatic	InTouch	CA8900	
Danfoss	Radiator thermostat	RA PLUS-w	
<b>Sensors</b>			
<b>Manufacturer</b>	<b>Device Type</b>	<b>Model no.</b>	<b>Version</b>
ACT	Motion Sensor	PIR000 / PIR010	
Express Controls aka HomeSeer	3-in-1 sensor (light/temperature/motion)		
EverSpring/Hawking/Home Managemeables	Door/window sensor		
<b>Door Locks</b>			
<b>Manufacturer</b>	<b>Device Type</b>	<b>Model no.</b>	<b>Version</b>
Schlage	Door lock and deadbolt		
<b>Drapes/Blinds</b>			
<b>Manufacturer</b>	<b>Device Type</b>	<b>Model no.</b>	<b>Version</b>
Electronic Solutions	Drape/Blind motor	DBMZ	
<b>Relay controls</b>			
<b>Manufacturer</b>	<b>Device Type</b>	<b>Model no.</b>	<b>Version</b>
intermatic	Contactora control box	CA3750	
<b>Window Coverings</b>			
<b>Manufacturer</b>	<b>Device Type</b>	<b>Model no.</b>	<b>Version</b>
Merten	Radio roller shutter push-button	5025xx, 5035xx, 5045xx	

**IMPORTANT!** The devices listed here have been added by installers, technicians and users like yourself. Results may vary upon installations. We do not guarantee operation and compatibility with your installation. The listed devices were found to work with their specific installation. Mixing different series and brands of equipment is not guaranteed in any way to work with other series and brands. It is very likely that users have not fully tested all features of the devices, so it is possible that a device listed here as compatible, will not prove compatible with your hardware.
