XL Theater Dealer Warranty Information

Consumer Warranty – How it will work:

Sima's XL Theater System carries a 6 month/180 day limited consumer warranty. This warranty covers workmanship and quality defects for Sima XL series screens, and a 90 day limited consumer warranty for Sima XL series speakers. In the event of a problem, the consumer will contact Sima Customer Service at either 800-345-7462 x1270, or via e-mail at customerservice@simacorp.com, and our customer service representatives will handle the claim in the most expeditious manner. All warranty claims will be handled by Sima directly with the consumer. For products covered by a valid Sima warranty, Sima will either repair or replace product, at Sima's sole discretion, at no charge to the consumer.

Defective Return Policy with XL Theater Dealers:

Sima XL Theater products do not qualify under Sima's standard return policy. Dealers are not to take back any defectives or warranty related claims from a customer. Rather, Dealers should refer the customers directly to Sima's customer service department in the phone number and/or e-mail listed above. We welcome all our dealers acting as liaisons between their customers and our customer service department to expedite this process.

Warranty / Defective Replacement for Commercial Rental Applications:

The XL Theater product line lends itself well to event rentals. However, the standard Sima consumer warranty does not apply to rental applications. **XL THEATER PRODUCT THAT IS USED FOR RENTAL IS NOT COVERED BY SIMA'S CONSUMER WARRANTY.** Rental product will be assigned a unique product code by Sima in order to qualify for special "Rental Product Warranty coverage". When the rental dealer receives Sima XL Theater product, it is the dealer's responsibility, to completely check/inflate all product to insure the product is free from workmanship/quality issues. This product check must be completed and any defects reported within 10 days of product receipt. To qualify for Sima's Rental Product Warranty coverage, dealer name and product code must be registered with Sima Customer Service. Dealers can either call Sima at 800-345-7462 or log on to the company website at www.simaproducts.com, to register for Rental Warranty Coverage. NOTE: Consumer Warranty coverage is void after product rental, and all service/repair not covered by Sima Rental Product Warranty will be the sole responsibility of the rental dealer.
