

Owner's Guide

12-Volt Heated Massaging Seat Cushion ***RP-1360HM***

IMPORTANT SAFEGUARDS

- ▶ Do not use outdoors.
- ▶ To protect against electrical hazards, do not immerse adapter, or unit in water or other liquid.
- ▶ Close supervision is necessary when used by or near children.
- ▶ Use with your engine on to avoid draining your battery (never leave engine running in enclosed or poorly ventilated area).
- ▶ Always inspect power cord before using. Do not use if unit or cord is damaged.
- ▶ Do not use power cord as a handle to carry seat cushion.
- ▶ Turn all massaging motors off before unplugging.
- ▶ Do not place controller under seat cushion or between body and cushion as this will damage controller.

Health Cautions

- ▶ If you have any concerns regarding your health, consult your physician before using this product.
- ▶ Individuals with pacemakers should not use this product.
- ▶ If you have experienced pain in a muscle or joint for a prolonged period of time, discontinue use and consult your physician.
- ▶ Do not use the massage motors or heat for longer than 30 minutes at one time. Extensive use could lead the product to becoming excessively hot. Should this occur, discontinue use and allow the unit to cool before operating.

Placing Your Seat Cushion

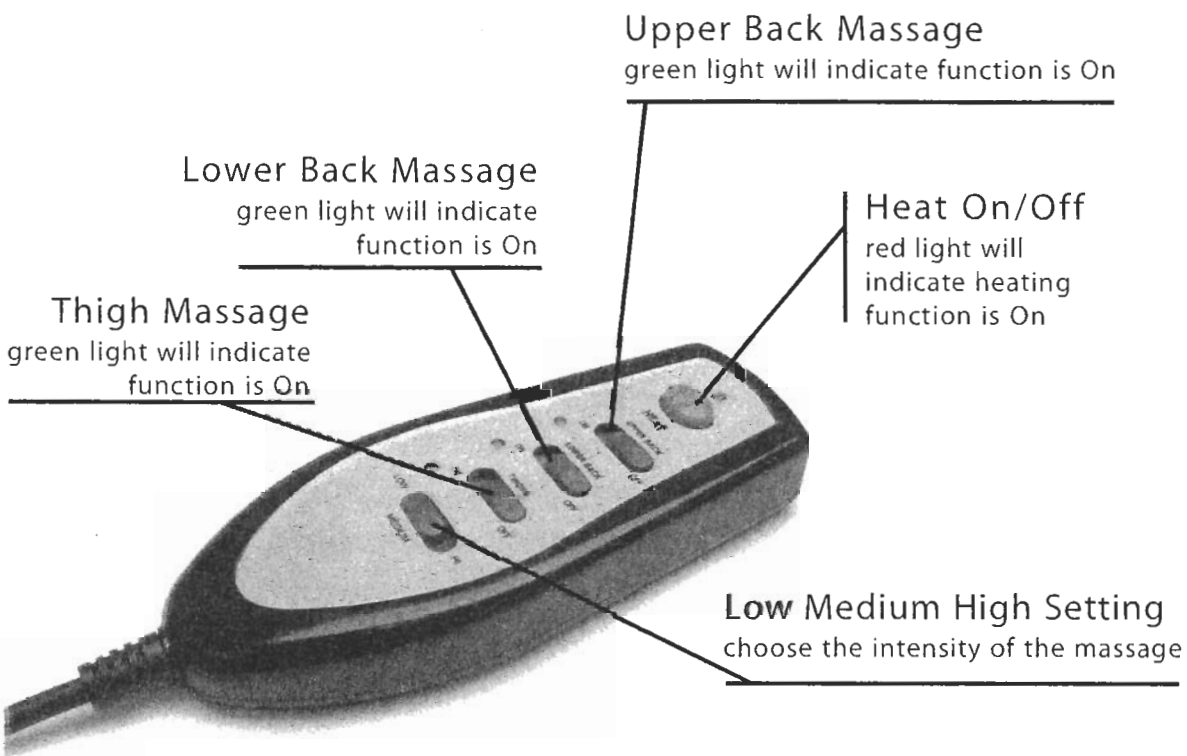

- ▶ Slide the two elastic back straps over the back of your seat. Adjust the cushion on your seat to your personal preference.
- ▶ Pull the top vertical strap over the seat and fasten it to the plastic hook located on the upper elastic back strap.
- ▶ Attach the two elastic seat straps from the left to the 2 small straps on the right, securing with the plastic hooks located on the end of each strap.

Always use caution when stretching and securing elastic straps

Cleaning Your Seat Cushion

- ▶ Make sure cushion is unplugged from power source and allow to cool before cleaning.
- ▶ Do not place in any liquid to clean. Clean fabric cover by wiping with a damp sponge, using a mild detergent. Pat dry with clean, dry cloth.
- ▶ Do not use abrasive cleaners, brushes, gasoline, kerosene, glass/furniture polish, paint thinner or water hotter than 120° F to clean the cushion.
- ▶ Store unit in a dry, safe place when not in use. Avoid contact with sharp edges or pointed objects which might cut or puncture the fabric.

Using Your Seat Controller

ROADPRO 90 DAY LIMITED WARRANTY

This RoadPro product is guaranteed to be free from defects in workmanship and materials for 90 days from the purchase date. Within 90 days of purchase, the product (along with proof of purchase date) may be returned to RoadPro, 1875 Zeager Road, Elizabethtown, PA 17022, freight prepaid and we will repair it, or at our option, replace it at no additional charge. Limitations of this warranty include: implied warranties, payment for loss of time, inconvenience, loss of use of your product or property damage caused by your product or its failure to work, or any other incidental or consequential damages including personal injury.
