

VALO™

INSTANT TRACK LIGHTING

Redefines the word EASY

No tools are required

- A pair of common household SCISSORS is all you need!

No special knowledge or skills required

- The whole system is ADHESIVE!
- No ELECTRICAL WORK is required – just plug it in!

No big price tag

- Valo is very affordable – other kits begin at much higher prices

No time at all

- Valo installs in about 15 minutes!
